Applications are available in each school or on the webpage under Food Service Department. Students have the opportunity to pre-pay for the meals they purchase from the cafeterias. Parents can send cash or a check (made payable to your child's school or by making payments online by going through Family Access and selecting Food Service). Children paying with cash or checks must hand the payment to the cashiers in the cafeteria. Money received is placed on your child's dining account and as meals and other food items are purchased, the cost will be appropriately deducted. ***This institution is an equal opportunity provider.***
Please include your child's name and account pin number on all correspondence and payments.
